Vision for Learning

	BELIEFS	PRINCIPLES	PRACTICES
LEARNING	We believe learning should provide opportunities for everyone to achieve success.	<p>Everyone is capable of learning</p> <p>Learning is an active, continuous process</p> <p>Learning is accessible and equitable</p> <p>Learning is individualised</p>	<ul style="list-style-type: none"> • Learning is enjoyable and responsive to student interests • Reflection and feedback are important parts of the learning process • Through negotiation, choice and responsibility, learners develop ownership of their learning • Quality, ongoing professional learning is provided for staff • Through modelling and scaffolding, teachers promote ongoing success
LEARNERS	We believe that everyone is unique in the way they learn.	<p>The whole person is developed as a learner</p> <p>Everyone is valued as a contributor to the learning process</p>	<ul style="list-style-type: none"> • We collaboratively plan, teach and learn in order to cater for diversity • We value all learners for their unique qualities and we celebrate individual success • Learners are challenged, supported and empowered to develop deep thinking skills and apply these in a real world context • We encourage learners to develop empathy, resilience, confidence and independence • All learners can access the curriculum through contemporary teaching approaches and resources
ENVIRONMENT	We believe in a learning environment that promotes quality learning anytime and anywhere.	<p>Learning occurs in a welcoming, supportive, respectful and safe environment</p> <p>Learning is enhanced by a flexible, creative environment</p>	<ul style="list-style-type: none"> • We use a language of learning to share, reflect on and enrich learning • The learning environment is appropriately resourced • We learn in a language rich environment • We are excited by real world contexts • We access all available learning spaces within and beyond the school • We are inspired by meaningful and personalised learning
COMMUNITY	We believe in collaborative and inclusive partnerships.	<p>Partnerships are essential to a positive, confident, professional community</p> <p>All members of our community are called to service and stewardship</p>	<ul style="list-style-type: none"> • We share our learning, achievements and faith within and beyond the school community • We learn with and through others in our classroom and community • Relationships between staff, students and families are enhanced by ongoing communication • Parents, teachers and students work together to achieve goals • We compassionately care for creation by thinking globally and acting locally
